Professional Experience

Apple Valley Middle School – Hendersonville, NC
7th Grade English Language Arts & Social Studies Teacher
August 2026 – Present

- Use EOG history, i-Ready diagnostics, CFAs, student work, check-ins, and qualitative classroom evidence to identify student needs, create flexible groups, and determine next instructional steps.
- Design differentiated instructional systems incorporating teacher-led small groups, collaborative tasks, independent learning modules, targeted scaffolds, enrichment, feedback, and revision.
- Collaborate with teachers, instructional coaches, and administrators to analyze student performance, align curriculum and assessments, develop instructional resources, and refine instruction based on student results.
- Integrate explicit literacy instruction across ELA and Social Studies, including morphology, vocabulary, comprehension, annotation, discussion, evidence gathering, and writing, with targeted access points for multilingual learners and struggling readers.

Pinecrest Four Corners – Orlando, FL
Intensive Middle School Reading Teacher
August 2025 – June 2026

- Delivered targeted Tier 2 literacy instruction using explicit, evidence-based reading routines for students performing below benchmark.
- Differentiated instruction through small groups, scaffolds, modeling, and targeted intervention while collaborating with ELA teachers to connect intervention with grade-level instruction.

Valencia College – East Campus – Orlando, FL
Developmental Reading and Writing Instructor
August 2024 – June 2026

- Taught integrated developmental reading and writing to college students through explicit instruction in comprehension, vocabulary, annotation, academic writing, and evidence-based responses.
- Used conferencing, targeted feedback, peer collaboration, and revision cycles to help students develop greater independence as readers and writers.
- Differentiated instruction for multilingual and developing learners while maintaining college-level expectations and supporting students' transition into credit-bearing coursework.

Orange County Public Schools – Orlando, FL
ELA Teacher | *Reading Teacher* | *Instructional Coach* | *Graduation Coach*
August 2015 – May 2025

- Led instructional coaching cycles involving co-planning, modeling, observation, feedback, and reflection to strengthen literacy instruction and teacher practice across grade levels.
- Facilitated PLCs and served as a District PLC Representative, supporting teams with data analysis, standards alignment, instructional planning, and assessment refinement.
- Served as a Lead Mentor and New Teacher Induction Facilitator; completed the OCPS Advanced Coaching Academy and Facilitative Coaching Series to strengthen collaborative and reflective coaching practices.
- Contributed to schoolwide literacy improvement through the Literacy Leadership Team and served as a Curriculum Vetter, reviewing instructional materials for rigor, standards alignment, accessibility, and instructional value.
- Served as a District Curriculum Technology Leader and Digital Content Creator, developing and sharing instructional resources and supporting teachers with effective technology integration.
- As Graduation Coach, analyzed student data, monitored credits and academic progress, coordinated interventions and tutoring, and partnered with students, families, counselors, and teachers to support graduation and re-engagement.

Lewis and Clark Middle School & Eldon R1 – Jefferson City, MO
Middle School Language Arts, Social Studies, and Reading Teacher
August 2009 – May 2015

- Taught 7th- and 8th-grade ELA, reading, and Social Studies while contributing to curriculum development, literacy initiatives, reading diagnostics, assessment design, and collaborative instructional planning.
- Used student performance data, including reading diagnostics and miscue analysis, to identify needs and differentiate literacy instruction; recognized as a Teacher of the Year finalist.
